EXPERIENCE

TRAINING OF COMPETENCIES

Gamification Consulting + Gamified Platform

9 people

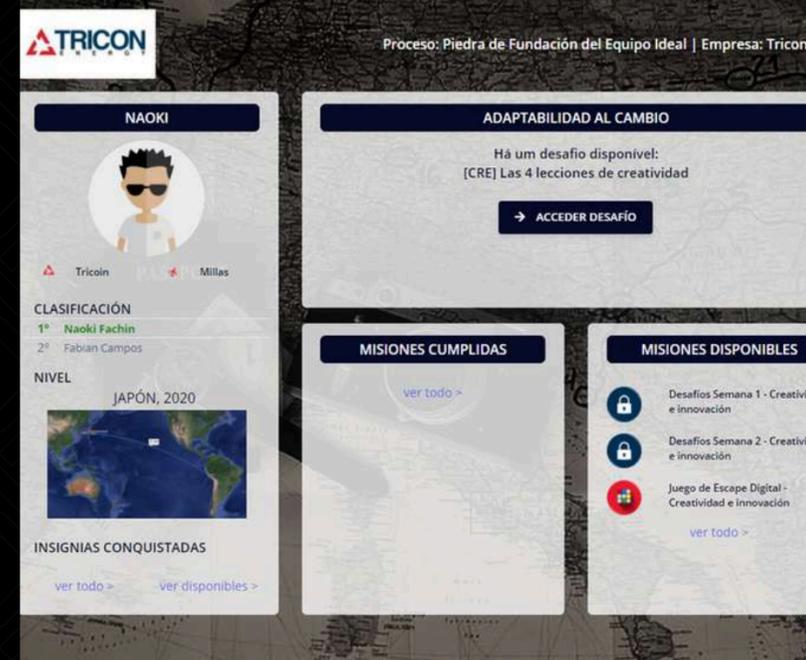

Ensure 9 employees engaged with content and met learning objectives during the pandemic situation.

- Creativity
- Strategic Planning
- Negotiation

- 84% overall satisfaction among participants, with high ratings for learning, fun, challenges, trivia, storytelling and game design.
- Identification of a participant with a leadership profile, who was the winner of the gamification and promoted to a leadership position in less than 3 months.

SUPPLY CHAIN DIRECTOR

"It should be used with all our teams to **exemplify how important it is to be prepared**, even in uncertain scenarios, to make quick and accurate decisions"
